AQUARIUS

SENSIL®

AQUARIUS

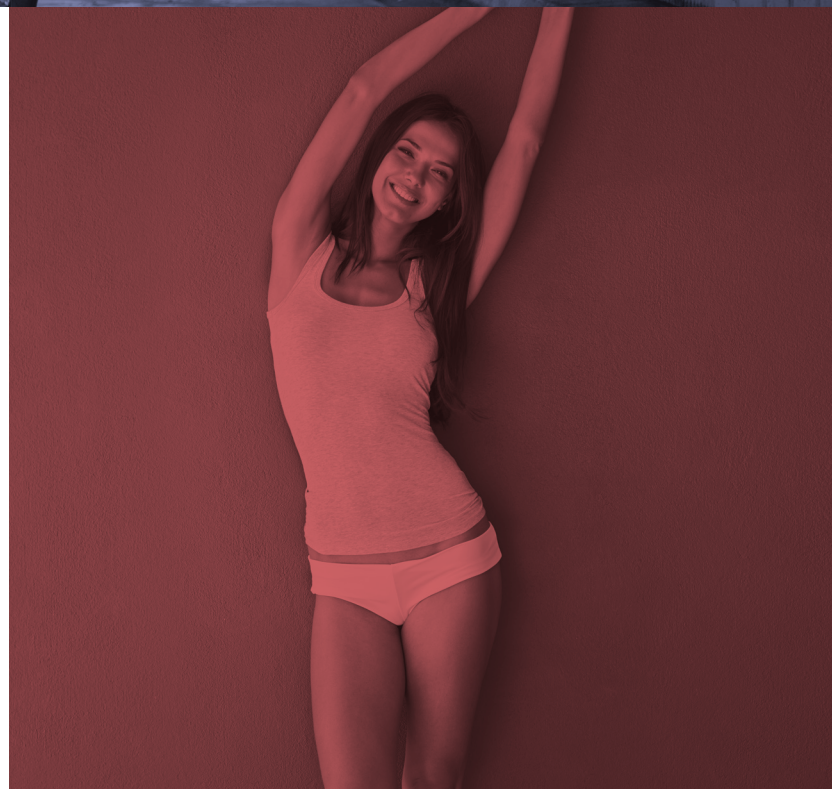

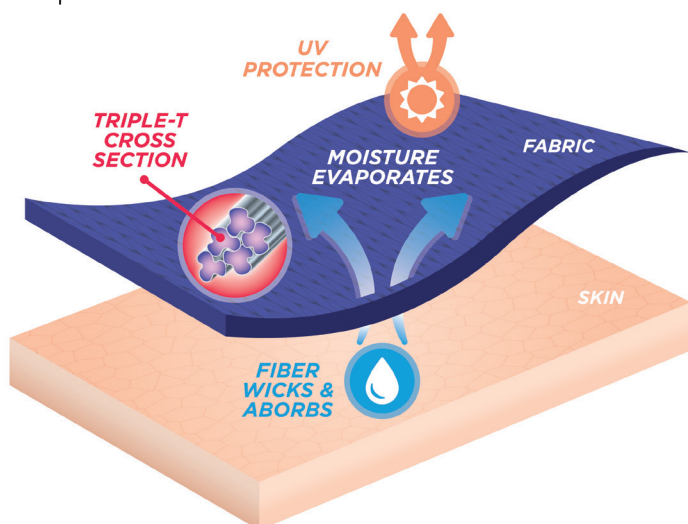

For clothes that stand up to a serious workout or just a long day, Sensil® Aquarius premium Nylon 6.6 provides superb, next-generation **moisture management** complete with natural odor-resistance.

TECHNOLOGY

Special triple-T cross section increases fiber surface area for rapid absorption

Micro-channels create a capillary effect to wick moisture

Unique hydrophilic properties promote quick evaporation

PERFORMANCE

Sensil® Aquarius maximizes comfort with proven moisture management. The expertly constructed fiber performs three critical functions:

- 1 Quickly removes perspiration away from the skin's surface
- 2 Swiftly transports the moisture through the garment
- 3 Rapidly releases the moisture out to the atmosphere
